

# Reach new heights on our cable lifts

The numerous lift systems, that are open during the summer season, give everyone the chance to enjoy incredible and magnificent views on the mountain tops without having to face a long and sometimes difficult hike. In just a few minutes you will be able to reach the edge of a glacier or discover new and amazing panoramas like those of the Brenta Dolomites.

## Cabin lifts and chairlifts open in the summer

## A Special Vacation

Let's all take the lift!

from **July 12th - 31st**

### a free pass for all lifts

Our guests, will receive a card that entitles them to free access on all the lift systems that are open during the summer season in Val di Sole.

(except for the Paradiso-Presena chairlift).

This pass is valid only during the guest's stay, not valid on Sundays.

## Mountain bike special

July 24th - August 1st

An activity and entertainment program from July 24th to August 1st completely centred on biking and MTB just for guests that stay in our accommodation with the "Tutti in Funiva" (let's All Take the Lift) package which includes:

- Monday: downhill descents on the 4-CROSS World Championship track in Daolasa with qualified instructors.
- Tuesday (in the Daolasa area) and Thursday (in the Peio area): guests will take the lifts up and then MTB down with a guide.
- Wednesday: a guided CROSS COUNTRY biking outing.
- Friday: biking along the Val di Sole cycling path from Cogolo to Caldes with the possibility to return by train or bus.
- From Monday to Friday: learning areas and fun activities for children in various towns throughout the valley.
